1. Stayin' on line  
Keepn' up with time  
Takin' blues for blue  
Nobody's perfect – that ain't true

But wait ... there's you ....

2. Wear the same face  
Don't leave a trace  
Walk one path – no maze  
Never arrive late

But wait ... life's no race

...

3. Don't risk false starts  
keep problems afar  
stay away from the dark  
and forget your heart

But wait ... it's less than you are
