3/4 Takt

Intro C F G C F G

**C** **F** **G**  
It only takes a second to fall in love

**C** **F** **G**  
Sometimes takes a while 'fore you know

**C**  
So if you meet the person

**F** **G**  
Who can share your soul

**Dm**  
This is the kind of fever \_\_\_\_

**C**  
That won't go \_\_\_\_

**Dm** **C** **G**  
I say, this is the kind of fever that won't go

You only have to breathe to stay alive  
You only stay dry on the shore  
So if you risk the storm and sail with your boat  
This is the kind of fever \_\_\_\_ that won't go,  
I say, this is the kind of fever \_\_\_\_ that won't go

It only costs a dime to taste something sweet,  
You might be gettin' sick eating more,  
So if you meet a person and cannot say no,  
This is the kind of fever \_\_\_\_ that won't go,  
I say, this is the kind of fever \_\_\_\_ that won't go

**Solo Guitar** 1 verse: end C C

## Bridge:

**E7** **Am**  
I ask \_\_\_\_ soothe my fever \_\_\_\_ with your soul

**E7** **F** **G**  
Give me your body and your mind \_\_\_\_\_ and never let me go ...

...When the rain's fallin' hard and you should be stayin' home  
You might walk through danger, just to be not alone  
Drink whisky from the bottle, though it might burn your throat,  
Love is the kind of fever \_\_\_\_ that won't go ...  
I say, Love is the kind of fever \_\_\_\_ that won't go
