

## 2. Just Give Me Time ©2016 janeway/Carol & Dirk Bertram

**G** **Gmaj7**  
Everytime I walk, I move a little further

**Em** **Em add2**  
away\_\_\_

**G** **Gmaj7**  
and I wish that I, had tried a little more

**Em** **Em add2**  
to stay \_\_\_

**C**  
My nighttime thoughts in circles,

**C**  
won't leave me in

**G** **Gmaj7**  
peace \_\_\_

**C**  
And all the time I know that  
the deepest part of love won't ever

**G** **Gmaj7**  
cease \_\_\_

### Chorus

**C**  
Just give me time

**C** **G** **Gmaj7**  
to put myself back \_\_\_ together\_\_\_

**C** **G** **Gmaj7** **C** **C**  
And then I may just come back to you \_\_\_forever\_\_\_forever

**G** **D Dsus2 D** ... (Pause)  
(pfeifen)

Everytime I smile, I show a little less of me,  
and I wish that girl inside of me,  
would understand a little more and see  
My contradicting thoughts  
dissociate and softly I unfeel  
My life just fades before my eyes  
and evr'thin' starts to get unreal

### Chorus

Just give me time  
to put myself back together\_\_\_  
And then I may just come back to you \_\_\_forever\_\_\_forever

**G** **D Dsus2 D** ...
